Grinnell Mutual Will Continue Drive on Service

GRINNELL, IOWA — Despite the fact that public attention is increasingly focused on lower auto insurance rates, Grinnell Mutual Reinsurance Company will continue to emphasize quality customer service. Officials of Grinnell Mutual believe that reasonable rates are important, but that in the final analysis the policyholder insists on SERVICE FIRST.

Grinnell Mutual offers auto insurance only through agents of member County Mutuals. These agents, through years of writing fire and windstorm property insurance, are particularly qualified to give Grinnell Mutual service — service that puts the POLICYHOLDER FIRST.

Grinnell Mutual believes that the thinking automobile policyholder is going to take a long look at a company's insurance program — how it treats the youthful driver and the average driver, as well as the preferred risk. A driver needs SERVICE FIRST insurance all through his life. Grinnell Mutual fills this need in a fair, reasonable manner.
